Hey Brenda,

Just received this from Milan. You can basically pick your date and time. Let me know and I will forward to him.

I could probably be back in Grants from Roswell by about 2:00 or 3:00 on the afternoon of the 25th – to participate with Milan before we go to the Cibola County meeting – or if you pick any earlier date and time, either Kurt or Angelo could probably be there.

Let me know,

Thanks.

Hello Mr. Pena,

NMED and EPA are currently in the planning stages for conducting brief presentations and discussions of the Proposed San Mateo Creek Basin NPL listing with the local governments during

the week of January 22nd. Would it be possible for us to meet with the Village of Milan at some point between January 23rd and January 25th?

Please let me know if you would like to coordinate a date and time.

Sincerely,

Mark Garman, Manager
NMED GWQB Superfund Oversight Section
